## ***Welcome to a lifetime experience!***

***During the beautiful Uruguayan winter you will enjoy a Spanish intensive course and a cultural immersion for six weeks.***

***Students attend to a Spanish course (20hs a week – 4hs daily) and almost everyday they will participate in cultural extra curricular activities organised by the institution.***

***They will also share the experience with international students from YFU and other international organisations.***

***Dates:  
Jun 29 - Aug 9  
2018***

# Activities

- ✓ 2 days arrival orientation
- ✓ 1 day re-entry orientation
- ✓ 1 day field trip to Uruguayan highschool (stds will have to present a topic worked throughout the language course)

***You will spend most of your mornings in spanish language courses (ELE) in Academia Uruguay in Montevideo ([www.academiauruguay.com](http://www.academiauruguay.com)).***

***Final exam consists of three sections (use of Spanish, reading comprehension and speaking) and is designed by a Cervantes Institute certified language academy. You will also attend a field trip visit to a local high school.***

***Besides the cultural activities, you will enjoy a field trip day to a high-school. There you have to prepare a presentation in spanish to introduce yourself, your country or a topic you like to share.***

## ***Extracurricular Activities***

- ✓ ***Activities could be from walking/biking/bus tours to cultural events (theater, museums, street festivals and sport games).***
- ✓ ***Students could opt to join a sport club/gym and volunteer service.***
- ✓ ***During the weekends students will spend most time with Host Families and are also assigned to a YFU youth counselor with whom they could also plan activities together.***
- ✓ ***The schedule of planned activities is shared with participants before arrival for them to review and sign-up. Host Families are also invited to join.***
